M-CORD for new users:

[Cord Project Account Registration](#) :

- Open a Cord Project Account at : <http://opencord.org/registration/> (Once you have created it you will be able to log in CORD Wiki and JIRA (Issue tracking tool) and so on)

Action items and JIRA (tracking tool) issues:

- JIRA issues related to M-CORD go to : <http://jira.opencord.org>

Repository Source Code :

- Gerrit repository : <https://gerrit.opencord.org/>

Username and/or password Recovery

- <http://opencord.org/login/>

For chatting and discussions :

- M-CORD mailing list: <https://groups.google.com/a/opencord.org/forum/#!forum/mobile>
- M-CORD Slack channel: #m-cord (You need first to create a CORD Project Slack account from here: <https://slackin.opencord.org/> . Once you have created the Slack account you can sign in [from the web](#) or use the [native clients](#))

Active Brigades :

- M-CORD Release Brigade
- NG-Core Brigade
- xRAN Integration Brigade
- CBRS/Private LTE Brigade
- Multi-Access CORD Brigade
- All ARM CORD Brigade
- E2E Slicing with Link Aggregation Brigade
